

Software Download and Access Instructions – Echo Test and Teach (Public Demo)

SUP-000017-B

Effective Date: 12-10-2015

New User Registration and Access

To register for an account and download the Unit Modeler® Application Runner, access the following website: <u>http://www.kelabs.com/download</u>

From here you can download the installer for the Application Runner. Upon running the application for the first time you will be prompted to register a new account and log in.

After you log in, you should see the Unit Modeler® Desktop. Double-click the **Public Workspaces** icon.

In the Public Workspaces window, select the Echo Test and Teach Public Demo workspace and click Join.
